ABOUT US

Council of Elders

The Council of Elders is a community-elected body of Numerai participants who bridge the Numerai team and the broader community. We organize events like Decentralized AI Days, build and maintain community tools and dashboards, create educational content, and amplify the community's voice in shaping the ecosystem.

The CoE Treasury

The Numerai Council of Elders is supported by Numerai, which funds community initiatives such as events, open-source tools, and educational content. Treasury activity is managed through a Safe multi-signature wallet to ensure transparency and shared oversight. We also maintain an NMR/ETH liquidity pool on Uniswap, providing decentralized access to NMR for participants who prefer to use DEXs.
